

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR DON KNABE

May 31, 2011

Senate Bill 276 (Wright) authorizes the Executive Director of the California Science Center to appoint certain security and safety personnel if there is no Exposition Park Manager.

The Exposition Park Manager, as well as the Office of Exposition Park Management, was created as a result of a State audit report citing the management of the State's interests in Exposition Park were not being properly managed.

I believe that this proposal would negatively impact the quality of services provided in Exposition Park.

I, THEREFORE, MOVE that the Board of Supervisors instruct our Sacramento Legislative advocates to oppose Senate Bill 276 (Wright).
